## AN ENCHANTED STORY: VOLSHEBNAYA SKAZKA

Young Russian Art Sensation, Anna Berezovskaya,  
holds Solo Exhibition at REDSEA Gallery

Following the sell-out success of their first collaboration back in 2011, REDSEA Gallery is once again hosting a solo exhibition for young, Russian art sensation, Anna Berezovskaya, this May 2013. **"An Enchanted Story: Volshebnaya Skazka"** opens on Saturday 18<sup>th</sup> May 2013, with a three-week run, unveiling 24 of Anna's most recent and stunning oil paintings that draw on her exceptional ability to story-tell in a unique and highly compelling artistic way.

With the value of Anna's paintings having risen 60%- 70% since her last solo exhibition with REDSEA Gallery, and at just 26 years old, Anna is now very firmly established as one of the most exciting and inspiring contemporary young artists to come out of Russia in recent times.

Wade, 200cm x 80cm, 2013

This exhibition will showcase a sensational new range of work including the amazing 'Wade' at 200cm x 80cm (pictured above) and 'Seafarers' (100cm x 140cm), a captivating tale in which Anna depicts a battalion clashing in a battle for the heart of the young lady at the centre of the piece. It is a painting about something eternal, a battle for attention and love. Anna's majestic talent lies in her ability to capture her dreams together with layers of fantasy and enchantment to create rich visual feasts that are both powerfully mature and whimsically childish in equal measures. In these latest stunning paintings, Anna continues to play with her version of reality in powerful and poetic ways whilst the quality and integrity of her work ensures once again that this whole collection will stand the test of time as highly collectable and valuable works of art.

REDSEA Gallery, Block 9 Dempsey Road, Singapore 247697. Open daily from 9.30am to 9pm.

Chris Churcher, Owner of REDSEA Gallery, says "We are absolutely thrilled to be bringing Anna back to Singapore once again; giving our Asian-based collectors and art-investors the exclusive opportunity to share in Anna's rapidly rising star. With the value of her work having risen so significantly since her last solo exhibition with us, there is already much excitement and anticipation building for this new collection of works."

He continues; "The Russian contemporary art market is very much on the rise at the moment, as seen by the Art Paris Art Fair which this year, for the first time ever, is devoting a whole section to Russian artists, as well as the arrival of some Russian galleries here in Singapore so we feel very privileged to be representing such an exceptional and highly sought after talent as Anna's."

Anna's solo exhibition will open at REDSEA Gallery in Dempsey Hill on Saturday 18<sup>th</sup> May 2013 for three weeks.
